

SOVEREIGN SYSTEMS INNOVATION – OVERVIEW DOCUMENT

Eclipse Inc. | Systems That Other Systems Run On

Document Name

Eclipse Sovereign Systems Innovation – Overview Document

Date

December 15, 2025

Aim

This document provides a high-level, authoritative overview of systems innovations developed under Eclipse Inc., led by Clive Appleby. It explains foundational meta-systems—systems that other systems operate upon—and outlines their application across global environments.

Scope & Limits

This overview is strategic and conceptual. It does not disclose proprietary mechanisms, confidential agreements, or jurisdiction-specific implementations. It is not a legal, financial, or investment instrument.
